

SCHOOL LEAVERS: Aiming for University...not sure how? Consider the new CSU Pathway Program

Charles Sturt University (CSU), in partnership with Wodonga TAFE, is offering a new pathway to university entrance for recent school leavers. This is a new option for students in this region that results in achievement of two qualifications.

On successful completion of the program, students will attain:

- Certificate IV in Further Education* from Wodonga TAFE
- University Certificate in General Studies from CSU
- guaranteed entry into CSU degrees**
- in some cases, credit for up to four CSU subjects.

Apply now: www.csu.edu.au/study/pathways or call 1800 334 733 or 02 6055 6600 for more information.

* Certificate qualification may provide credit into further TAFE studies if student chooses not to proceed with university qualification. Leads to an AQF qualification and/or statement of attainment.
** Guaranteed entry does not apply to those degrees with enrolment quotas such as Dentistry.
