

TRADITIONAL CUPPING

OVERVIEW

If you are already working within the massage/day spa industry and would like to add another treatment modality to your repertoire then consider learning the traditional cupping technique. This popular technique can be used to release toxins and excess fluids from the body's soft tissues, and to improve blood flow and tone to the muscles.

LEARNING OUTCOMES

- Traditional cupping for massage/spa

COMPULSORY UNITS

NA208 Traditional Cupping

ASSESSMENT

There are no assessment requirements for this short course.
