

# FIRST AID FOR EARLY CHILDHOOD EDUCATORS

## OVERVIEW

Gain the skills and knowledge required to provide first aid to infants, children and adults. This course is for educators and support staff working in an education and care setting who may be required to provide first aid in an emergency including cardiopulmonary resuscitation (CPR) in line with Australian Resuscitation Council (ARC) guidelines. This course is approved first aid, asthma and anaphylaxis emergency management training under the Education and Care Service Regulations (2011). This course is also available as 'refresher' training for people already holding a current First Aid in an Education and Care Setting certificate (please see 'Requirements' tab for additional information).

## LEARNING OUTCOMES

This course covers:

- Legal issues in first aid
- Basic life support techniques
- Cardiopulmonary resuscitation (CPR)
- Automated external defibrillation (AED)
- Post-incident debriefing, counselling and assessment
- Childhood medical, trauma and environmental emergencies
- Management of childhood asthma and anaphylaxis emergencies
- Special requirements for providing first aid to infants and children in care

## COMPULSORY UNITS

HLTAID009 Provide cardiopulmonary resuscitation

HLTAID012 Provide First Aid in an education and care setting

## ASSESSMENT

The assessments will enable students to demonstrate the underpinning knowledge, skills and attributes required to meet the course outcomes. A variety of assessment strategies to meet different student needs will be selected, including theoretical and practical assessment tasks. Note: It is a requirement of this course that your practical demonstration of CPR must be performed on adult and child resuscitation manikins on the floor, and an infant resuscitation manikin placed on a firm surface.

## LICENCES/TICKETS

Provide First Aid and CPR in an Education and Care Setting Competency Card.

## CERTIFICATION

In successfully completing this course you will receive a nationally recognised AQF Statement of Attainment and Competency Card, valid for a period of three (3) years from the date of issue. It is recommended by the ARC that first aid skills be renewed every 3 years and CPR be undertaken every 12 months.
