

WHS CONSTRUCTION INDUCTION CARD (WHITE CARD)

OVERVIEW

Wanting to start work in the construction industry? Learn about preventing workplace injury and illness, workplace injury management, and worker's compensation. This course is aimed at all prospective and new workers who are or will be required to carry out construction work. It is required that everyone on any construction site has this ticket. Training and assessment are delivered by qualified trainers from industry backgrounds.

LEARNING OUTCOMES

- Government legislation
- Duty of care
- Working safely
- Risk management
- Common construction hazards
- Controlling hazards
- OHS communication, information and documentation
- OHS personnel
- Safety signs and symbols
- Reporting hazards
- Incidents and injuries
- Incident response
- General response procedures
- First aid PPE
- Fire safety equipment

COMPULSORY UNITS

CPCCWHS1001 Prepare to work safely in the construction industry

ASSESSMENT

The assessments will enable students to demonstrate the underpinning knowledge, skills and attributes required to meet the course outcomes. A range of assessment strategies to meet different student's needs will be selected, including a theory and written test designed to gauge your understanding of the course.
