

# **FORKLIFT - 4 DAYS**

## **OVERVIEW**

If you want to gain a start in the supply or warehousing industry, a forklift operations licence is a great asset. Successful course completion will see you gain the national high risk work (HRW) licence required to operate forklifts in a safe and efficient manner. You will also enhance your knowledge and experience in line with relevant legislation.

4-day course: Designed for students who have had no experience, this course is theory and driver training focused.

Did you know that we can also develop customised courses that can be tailored to your workplace requirements?

## **LEARNING OUTCOMES**

- Licence to operate a forklift truck
- Follow occupational health and safety procedures
- Check and assess operational capabilities of equipment
- Complete workplace orientation/induction procedures
- Operate a forklift

## **COMPULSORY UNITS**

TLILIC0003 Licence to operate a forklift truck

## **ASSESSMENT**

This course involves theoretical assessment on your knowledge of forklift safety and operation, as well as a practical assessment.

## **LICENCES/TICKETS**

- Licence to operate a forklift.
