

# CERTIFICATE IV IN AGRICULTURE

## OVERVIEW

### Standard Certificate IV

Develop your skills and knowledge to gain a supervisory role in an ever-expanding sector! If you have a sound business mind and have practical agricultural skills and experience at a Certificate III level, you could use this qualification to develop a career in the primary industry sector as a manager of a farming operation or agribusiness administrator. This course focuses on the business, management, and administrative aspects of agriculture.

### Agricultural Services and Supply Chain - Stock and Station Agent

Developed by Agricultural industry training experts, this program is specifically designed to provide transactional agribusiness relationship insight and understanding, directly attached to a nationally recognised qualification. This course's flexible structure means this course is suitable for all areas of Agricultural service and supply chain industry providers, including but not limited to:

- Next generation Stock and Station agency engagement
- Livestock productivity and animal health value proposition
- Agri-Finance engagement and operational understanding
- Livestock preparation, marketing and negotiation
- Wool technical and marketing
- Farm supplies relationships
- Finance sector productivity and transactional understanding of process
- Integration of emerging technology into agribusiness

## LEARNING OUTCOMES

This course can be tailored to your desired agricultural stream, therefore learning outcomes are varied. Some may include:

- Management of pasture and cropping systems
- Management of livestock production
- The development and implementation of animal welfare protocols
- Management of soils for production systems
- Management of budgets and financial reports
- The management and coordination of equipment maintenance
- Planning and implementation property improvements
- Development of chemical programs and procedures to minimise risk

## COMPULSORY UNITS

### FEES

From 1 January 2019, Free TAFE for Priority Courses is a Victorian Government program that will pay your tuition fees to study in this selected course at Wodonga TAFE, if you're eligible, subject to minimum numbers.

Government Funded \$320.00 (Tuition \$320.00, Materials \$0.00)

Concession \$64.00 (Tuition \$64.00, Materials \$0.00)

Fee For Service \$8,960.00 (Tuition \$8,960.00, Materials \$0.00)

#### **FEES ADDITIONAL INFORMATION**

Given the nature of Agriculture, Environment and Horticulture qualifications, the units you will undertake in your studies vary greatly depending upon your line of work and/or personal choice. This means prices for tuition fees can only be given as an approximation to begin with, and materials fees are omitted.

The student tuition fees published are indicative only and can be subject to change given individual circumstances at the time of enrolment.

Funding made available to eligible individuals by State and Commonwealth Governments. If funding is utilised, this may affect future opportunities to access additional funding in the future. For more information see 'Fee information and eligibility' under the Enrol Now tab on the Wodonga TAFE website.

#### **HOW TO APPLY**
