

# AGVET CHEMICAL USER'S COURSE REACCREDITATION VICTORIA

## OVERVIEW

This chemical user's course outlines the legislative requirements and safe working practices needed to use agricultural and veterinary chemicals. This is a Refresher course in which participants will be reminded of their obligations relating to chemical use in the workplace and will be updated on Legislative requirements. Participants are able to do this course provided the re-accreditation 'attempt' occurs within the 5-year validity of the accreditation. Students will need to provide evidence of this.

## LEARNING OUTCOMES

- Prepare and apply chemicals
- Transport, handle and store chemicals

## COMPULSORY UNITS

IA253 AgVet Chemical User's Course Reaccreditation Victoria

### FEES ADDITIONAL INFORMATION

The student tuition fees published are indicative only and can be subject to change given individual circumstances at the time of enrolment.

### HOW TO APPLY

Apply via the 'Apply Now' button in the course information page. If the course is not available for online application, you can submit your enquiry via the online form below. Alternatively, please feel free to contact our friendly Customer Experience team on 1300 698 233 or [info@wodongatafe.edu.au](mailto:info@wodongatafe.edu.au).

Please note: We reserve the right to close course intakes early. Many courses have limited places and high demand. Early applications are recommended. We reserve the right to cancel intakes and courses if there are insufficient student numbers.

### OTHER INFORMATION

If you have not completed the initial AgVet Chemical Skill Set, or your re-accreditation falls outside of the 5-year period, you will need to do the full version of this course, located here: [Agricultural Chemical Skill Set](#)  
Most teaching and assessment is conducted on-campus, but occasionally a particular industry cohort will be trained in their workplace.

### WHEN YOU CAN ENROL
