

OVERVIEW

If you want to gain a start in the supply or warehousing industry, a forklift operations licence is a great asset. Successful course completion will see you gain the national high risk work (HRW) licence required to operate forklifts in a safe and efficient manner. You will also enhance your knowledge and experience in line with relevant legislation.

LEARNING OUTCOMES

- Licence to operate a forklift truck
- Follow occupational health and safety procedures
- Check and assess operational capabilities of equipment
- Complete workplace orientation/induction procedures
- Operate a forklift

COMPULSORY UNITS

TLILIC0003 Licence to operate a forklift truck

ASSESSMENT

This course involves theoretical assessment on your knowledge of forklift safety and operation, as well as a practical assessment.
