

# OPERATE AND MAINTAIN CHAINSAWS

## OVERVIEW

You will gain the skills to operate and maintain a chainsaw in a safe manner to satisfy OHS requirements of demonstrated competence for use of chainsaws in the workplace. This training is useful for you if you have little or no experience with chainsaws, or if you work in the horticulture and agriculture industries. If you've just bought your first chainsaw and are looking to alter your yard and trees at home, this course will prepare you well. Furthermore, learn about safe storage and management.
